18 Coonowrin Street, Battery Hill

This is a very desirable location with the beach at the end of the street opposite. All your needs are at hand... shops around the corner, school, kindy and transport close by. Dicky Beach shops and cafes or Currimundi Marketplace just a few streets away.

You will feel the ambiance of this well cared for brick home as you enter - plenty of light, cooling ocean breezes, outlook over front or rear yard - it's all there for you.

This home has a front formal living area, a functional and spacious kitchen and dining area adjacent. There are three bedrooms, with the main being extra large, a single bathroom and a separate toilet.

The grounds have been neatly landscaped and well cared for, there is a rear patio off the living area, and a lock up garage at the front.

With the wide street at...
