31 Wilson Avenue, Dicky Beach

 6  3  4

Once in a lifetime opportunity to own a beachfront estate with a home that is enormous, with enough space for everyone and a bit more.

Imagine coming home to this, a very special location and home that has six bedrooms plus office, three bathrooms, double lock up garages and a workshop space.

Spread over two levels this home has been cleverly designed to enjoy the most from this commanding ocean front position. All bedrooms have built in wardrobes. There are huge living areas and dining areas on both levels. Move out onto the deck to watch the waves of Dicky Beach or Moffat Beach only a stones throw away.

Being located on the elevated block you can see all the way up to Point Cartwright. Walk out onto your front lawn then down onto the sand, what a place to live.

The aspect is highly...
