A PRIVATE OASIS - BEACHSIDE

19 Coora Crescent, Currimundi

 4  3  2

The first impression of this beachside wonder is quite simply jaw dropping.

You are met by a delightfully landscaped private pool area, ideal for relaxing if you don't feel like a walk to the beach.

The tasteful renovations carried out by the current owner include rewiring, re-plumbing and a creation of a dual living area just perfect for extended family. The stylish kitchen with quality appliances is positioned close to each of the three living areas so the chef of the family is always part of the action.

The two outdoor patios, one facing the pool and the other to the side of the house provides a quiet and private space to enjoy.

Positioned on a beautifully landscaped 667sqm block there's room for the boat under the secure carport with electric door.

Part of the original double...
