16 / 6 Merrima Avenue, Kings Beach

 **2**  **1**  **1**

Drift away to the sounds of the ocean waves bordering onto golden sands with this two bedroom unit in Kings Beach.

This unit is only steps to Kings Beach and patrolled flags. With no main roads to cross to beach and the remarkable walkways that follow the coastline, this is an ideal beach position!

The north facing apartment offers incredible ocean views that extend right over the Pacific to Moreton Island, and in such a unique position where you can literally see and hear the surf rolling in.

This fully furnished property features two bedrooms and a good sized balcony with great views over Kings Beach. Also featuring a storage room at the back of the unit, perfect for all the surfboards and pushbikes.

Very short stroll to local restaurants and cafes, great for the kids for there...
