Unpretentiously poised on an elevated 701 sqm corner block in a quality area this delightful property is now looking for a new family to love it.

Looking for privacy, peace and the perfect family home? Wishing for a property with no issues or worries that you can just walk right into and start enjoying life? Well, imagine coming home to this lovingly maintained home that just keeps on giving.

Fully fenced and gated the elevated home looks over the ever changing tapestry of color and light around it. The large north-east facing bay windows in the formal living area invite the views and sun in giving the feeling of tranquility and of finally coming home.

There is also a large dining/living area off the upgraded open plan kitchen with loads of storage. Segue out to the covered outdoor...
